WE HONOR YOU

Because . . . You have been a source of never-failing guidance and sympathy . . .

Because . . . You have borne with patience our numerous mistakes . . .

Because . . . You have lectured, taught and stood by us . . .

Because . . . Of all the things too numerous to name, which you have given us through the years . . .

Because . . . We like you for what you are, we gratefully dedicate this 1963 edition of The Mirror to you,

Mr. H. W. Woodford

PRINCIPALS MESSAGE

Forty years ago the people of this community realized the need for an institution in which their children could obtain a high school education. Through their efforts, money was raised for half the cost of the original building, and the need was satisfied.

What has this meant to Huddleston? It has been a period of growth, change, and improvement. Even the school was forced to grow from the six original classrooms to over twenty teaching areas of different kinds. Growth has not stopped. We are now at the gateway to what will probably be the greatest step toward improvement this community has ever taken. With the coming of the new consolidated high schools even greater opportunities will be offered for learning.

The graduating class of 1963 will probably have the distinction of being the last from Huddleston High School. Many of the graduates who preceeded you have gone on to higher education; however, most have ended their formal education at the point at which you now stand, graduation from high school. You have that choice to make for yourself. Education is a companion which no misfortune can decrease, no crime destroy, no enemy alienate, no despotism enslave; at home a friend, abroad an introduction; in solitude a solace; in society an ornament. It chastens vice, guides virtue, and gives grace and government to genius. Education may cost financial sacrifice and mental pain, but in both money and life values it will repay every cost one hundred-fold. You are at a point of decision in so far as your future is concerned. It is my sincere hope that we have prepared you for the decisions you will have to make.

It has been a distinct pleasure and privilege for me to have worked with you through these years, and I extend to each of you my sincere good wishes for a happy and successful future.

Sincerely,

C. E. Darnell

CLASS HISTORY

In September 1959, we Seniors, as Freshmen began our "voyage" into knowledge. Mr. Robert Gay was to be our temporary guide. After a few weeks, Mr. Gay gave up his leadership to Mr. James Williams. Mr. Williams soon became discouraged and stepped back to let Mr. Soren Andresen guide us for the rest of the year. We elected as officers: President, Joyce Johnson; Vice-President, Lelia Overstreet; Secretary & Treasurer, Dorinda Mitchell; SCA Representative Ronnie McGhee. After a year of hard work and travel, Billy Creasey, Bobby Whorley, Richard Wingfield, Nancy Johnson, and Joyce Kirby decided to continue their journey on a different course.

Continuing our journey in September 1960, we found Mrs. Margaret Martin waiting to lead us in the coming year. Officers were as follows: President, Lelia Overstreet; Vice-President, Joyce Johnson; Secretary, Dorinda Mitchell; Treasurer Joyce Lacy; SCA Representative, Ronnie McGhee. Cedric Clark, James Ferguson, Johnny Franklin, Billy Gardner, Wayne Krantz, Willie Nichols, C. D. Walker, Eddie Witt, Douglas Wilson, Ruby Ashwell, Phyllis Fifer, and Carolyn Hancock changed the destination of their voyage. Margaret Cassidy joined us after canceling her voyage with Moneta.

In September, 1961 we began the third part of our voyage. Mr. Winston Woodford accepted the responsibility of leadership of the group. His assistants were: President, Richard Tweedy; Vice-President, Joyce Johnson; Secretary, Joyce Lacy; Treasurer, Marshall Dellis; SCA Representative, Ronnie McGhee. To sponsor the Junior-Senior banquet, which was given in the same year we presented the play "Nearly Sixteen". In that year we lost Sherman Austin, Grady Ayers, Marshall Dellis, Larry Johnson, Sherman Krantz, Margie Cundiff, and Nancy Johnson, who had rejoined us during the year.

In September 1962, a group of twelve citizens began the last year of our journey. Mr. Woodford again led the group on the journey. Officers were: President, Joyce Lacy; Vice-President, Richard Tweedy; Secretary, Joyce Johnson; Treasurer, Douglas Burnette; SCA Representative, Ronnie McGhee. The first event of the year was the presentation of the senior play entitled "Mama's Angel Child". We were honored by the junior class presenting a banquet for us. Brenda Witt and Sandra Atkins joined our class this year.
